The Clean-Sweep Sale Is Here!

The Clean-Sweep is our favorite child. Years ago, when it was born, it proved to be a mighty healthy youngster. As the years rolled on it grew strong and robust, until now it has an enviable place among Washington's clearance events.

The Clean-Sweep has grown because there is a logical reason for its existence. No good store wants to carry overstocks; each season must begin with clean decks.

These Clean-Sweeps do the work of clearance well; prices must be reduced to a very low point; but what of that? We must clean house—so here goes!
